District Elections

By Stephanie Brandon

Have you ever wanted to give back to the organization that has given so much to you? Well, this is a great time to get involved with Little People of America. 2017 is an election year for District 3 of Little People of America. Four members sit in the officer roles for the District and all four seats are up for election. A District officer term is three years and each position has a two-term limit. Serving as an officer is a rewarding experience and the officers attend the spring and fall regionals.

All members of District 3 are invited to review the positions and the eligibility criteria for the positions. Qualified members are encouraged to run for a District 3 officer position. The deadline for declaring intent to run for a position is September 1st, 2017. To declare intent, send an email to Stephanie Brandon (District 3 Director, sbrandon@d3lpa.org) and Sylvia France (District 3 Secretary, sfrance@d3lpa.org). Include in the email your full name, contact information and the position you are interested in.

District 3 Officer Positions:

**District Director**

1. Shall have primary responsibility for the continuance of activities in the district and the solicitation of membership.

Letter from the District Director

Hello everyone. It’s hard to believe that this is my last letter from the District Director since my term is up in October.

It has been an honor to represent District 3. I am so thankful for all of you as members of LPA. It’s you the new families who are excited to of found LPA, the teens who I now see graduating and going off to college or starting careers of their own. As well as those who were there for my parents when they had questions when I was young.

I’m also so happy for what my officers and I have accomplished over our years of service. Some of the accomplishments are having a district website that has been praised by board members and the ability to register online and take credit card payments regionals. Also, I am so grateful for connecting with Camp Victory Junction. It is so great to now have a camp opportunity for our kids that is located right in our own district.

I’m also excited for what’s to come for District 3. If you are interested in running and sharing your time and talent in a district position feel free to let the current officers know or email me by September 1st.

As always if you ever have any questions or comments feel free to email me at sbrandon@d3lpa.org and I look forward to seeing you soon!

-Stephanie Brandon, District 3 Director

LPA Council of Director’s Meeting - Denver, CO

Welcome and Agenda
President Gary Arnold welcomed the participants and reviewed the agenda for the meeting.

Approval of Minutes of Previous Meetings
District 3 Director Stephanie Brandon moved to accept the minutes of the May 7, 2017 Council of Directors teleconference. The motion was seconded by District 10 Director Gaill Blackburn, and approved by a voice vote.

It was noted that the meeting was May 7, not April 7 as in the draft minutes. The minutes will be corrected.

District and Chapter E-mail Domains
Discussion begun in the May CoDD meeting continued. District 3 Director Stephanie Brandon and District 6 Director Dan Verscha discussed obtaining a non-profit license for Microsoft Office 365 software for e-mail and on-line file sharing. Defining the structures and policies would be the next step, a committee will be needed to set this up.

District 6 Director Dan Verscha moved to require that to attend a District regional meeting, an individual must be an LPA member. The motion was seconded by District 9 Director Shannon Ciardelli, and approved by a voice vote.

In the discussion, it was noted that there will be challenges in collecting the membership dues and getting the application recorded at the National Office before regional meetings. This motion will need to be reviewed and approved by the Board of Directors before it can become LPA National Policy. The Board did act upon it later that day, see the minutes of the LPA Board of Directors Meetings for July 1 & 2, 2017.

Rebate Checks and Finance
Discussion begun in the May CoDD meeting continued on rebate checks and centralized banking. Danh went over the reconciliation spreadsheets sent out to all District Directors. The Directors would still like to go a centralized banking system, as has been discussed in previous meetings. Over 100 rebate checks are set to go out now. Directors are still missing checks and expressed confusion on the rebate process. They requested spreadsheets for the past year or two to review any missing checks.

District 2 Director Michael Petruzzelli moved the CoDD requests universal banking to move forward, with the Finance Director to provide bi-annual rebate check reports, and past reports for 2015 through 2017 year rebate checks for both Districts and Chapters, by year end 2017. The motion was seconded by District 10 Director Gaill Blackburn, and approved by a voice vote.

DAAA-LPA Liaison Amy Morris and DAAA President Lucy Woika updated the CoDD on DAAA activities and the upcoming World Games in Ontario in August.

emphasized on reviewing the duties of the regional representatives. Points from the discussion included:

- Regional representatives should be the contact for the district directors and chapter officers.
- It will be important to define the responsibilities and roles of the regional representatives. Need more clarification on their positions. Proposed to have all three representatives caucus together and define their roles.
- They also could be the liaison between the Finance Director and District Directors on local financial issues.

District 10 Director Gaill Blackburn moved that the regional representatives are to develop new job descriptions, and sub-committee to be created to assist them as needed. To include definition of financial role between the Finance Director and the District Directors. Completion date: Sept, 2017.

The motion was seconded by District 2 Director Michael Petruzzelli, and approved by a voice vote.

This motion will need to be reviewed and approved by the Board of Directors before it can become LPA National Policy.

The Council then transitioned to a discussion of the impact of “Trifecta” regional meetings on national conferences. It was noted that the registered attendance at this Denver conference was below 1,300, the lowest in many years. They discussed not advertising Trifectas before the national conferences, to avoid detracting from the conferences.

District 12 Director Jon Welch moved to form a committee to create a membership survey on their reasons for choosing to attend a national conference over a district regional meeting. The motion was seconded by District 10 Director Gaill Blackburn.

In the ensuing discussion, District 12 Director Jon Welch moved to amend the motion to add that prior to the publication of the survey, it be reviewed by the Council of District Directors, the Board of Directors, and the Conference Management Committee. The amendment was seconded by District 2 Director Michael Petruzzelli, and approved by a voice vote. The Council then approved the amended motion by a voice vote.

Liability Insurance Discussion

It was recently determined that the LPA National insurance policy does not include umbrella liability coverage for district and chapter events. In fact, there has been no coverage for many years (if ever). To obtain coverage, the local organization would need to contact the LPA National Office, to have the insurer provide coverage for each event.

District 2 Director Michael Petruzzelli moved to allocate funds in the national budget to add liability coverage under the existing national insurance policy for all District and Chapter events. The motion was seconded by District 6 Director Dan Verscha.

In the discussion which followed, District 2 Director Michael Petruzzelli moved to amend the motion that the Districts will cover the costs of the additional liability amount for their events. The amendment was seconded by District 2 Director Jon Welch, and approved by a voice vote.

The Council then approved the amended motion by a voice vote.

This motion will need to be reviewed and approved by the Board of Directors before it can become LPA National Policy. The Board did act upon it later that day, see the minutes of the LPA Board of Directors Meetings for July 1 & 2, 2017.

District Directors Roundtable

The District Directors held a brief roundtable discussion of the activities in their Districts, the details were not recorded for the minutes.

Future Meetings

The Council discussed defining a plan for regular meetings for the CoDD. It was generally agreed that it would be best to have four meetings per year, with the spring and fall meetings to be held before the respective spring and fall District regional meetings.

District 8 Director Ruth Stratton moved that the Council of District Directors will meet four times per year, once before the National Conference, and one week before each Board of Directors teleconference. The motion was seconded by District 6 Director Dan Verscha, and approved by a voice vote.

The Council will plan for its next meeting in late September 2017.

Mid-Year Meeting

The Board of Directors has moved their mid-year meeting up to the weekend of September 15 & 16 this year, in order to allow the newly-elected officers to meet earlier in their terms. The meeting will be in Anaheim, California, and District Directors are encouraged to attend.

The Council adjourned at 12:24 p.m.

Thank you to Joe Zrinski for taking the notes for the minutes of this meeting!
